INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Community Services League of Jackson County
Independence, Missouri

Report on the Financial Statements

We have audited the accompanying financial statements of Community Services League of Jackson County (a not-for-profit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Services League of Jackson County as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2022, on our consideration of Community Services League of Jackson County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Services League of Jackson County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Services League of Jackson County's internal control over financial reporting and compliance.

COMMUNITY SERVICES LEAGUE OF JACKSON COUNTY
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Community Services League of Jackson County (the Organization), a not-for-profit organization, was established in 1916 by former First Lady Bess Wallace Truman and other women and provides basic human needs (food, clothing, and shelter), comprehensive employment counseling and training, housing services, and financial coaching to clients in Eastern Jackson County. Community Services League of Jackson County's mission is to assist communities in reaching their potential by providing immediate relief to people in need, assessing their situations, and providing solutions that lead to economic stability.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Cash Equivalents

The Organization considers all highly liquid investments purchased with initial maturities of three months or less to be cash equivalents.

Inventory

Inventories are valued at estimated average costs, not in excess of market, and consist of food items for distribution.

Contracts and Accounts Receivable

The Organization's contracts and accounts receivable are due from contracts and grants and are recorded at amounts due, net of an allowance for doubtful accounts. Receivables are generally due within thirty days or at the grantor's discretion. Amounts outstanding beyond the time agreed are considered past due. The Organization determines its allowance by considering a number of factors, including the length of time that receivables are past due, the Organization's previous loss history, the grantor's current ability to pay its obligation to the Organization, and the condition of the general economy as a whole. The Organization writes off receivables when they become uncollectible. At December 31, 2020 and 2019, the Organization considered receivables to be fully collectible; accordingly, no allowance for doubtful accounts was recorded.

COMMUNITY SERVICES LEAGUE OF JACKSON COUNTY
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Pledges Receivable

The present value of unconditional promises to give, less an allowance for uncollectible amounts, is recognized as revenue in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. At December 31, 2020 and 2019, the Organization considered grants and contributions receivable to be fully collectible; accordingly, no allowance for doubtful accounts was recorded.

Property and Equipment

The Organization capitalizes all significant acquisitions of property and equipment, which are recorded at cost or fair value, if donated. Property and equipment are depreciated or amortized using the straight-line method over the estimated useful lives of the related assets ranging from five to forty years.

Expenditures for repairs and maintenance are charged to expense as incurred. Expenditures that materially extend the life of an asset are capitalized.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor restrictions. The Organization’s Board of Directors may designate, from net assets without donor restrictions, funds to be maintained for specific purposes. The Board of Directors designated \$55,905 and \$57,429 as reserve funds as of December 31, 2020 and 2019, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Net Assets - Continued

- Net assets with donor restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities as net assets released from restrictions.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the accompanying statements of activities. The accompanying statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Income Taxes

The Organization is generally exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision or liability for income taxes has been included in the accompanying financial statements.

The Organization recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority.

The Organization is subject to income tax regulations in the U.S. federal jurisdiction and certain state jurisdictions. Tax regulations within each jurisdiction are subject to the interpretation of the related tax laws and regulations and require significant judgment to apply. With few exceptions, the Organization is no longer subject to income tax examinations by the applicable tax authorities for the years before 2017. If any were to be incurred, the Organization's policy is to record penalties and interest assessed by income tax authorities as operating expenses.

In-Kind Contributions

In addition to receiving cash contributions, the Organization receives in-kind contributions of goods and services from various donors. It is the policy of the Organization to record the estimated fair value of these in-kind donations. Additionally, a substantial number of volunteers donated significant amounts of their time to assist in the Organization's program services. During the years ended December 31, 2020 and 2019, approximately 27,100 hours were contributed by volunteers each year and are valued at the rate established by the Independent Sector of \$25.96 and \$24.65 per hour, for the years ended December 31, 2020 and 2019, respectively, for a value of volunteers' donated time at \$703,516 and \$668,015 for each of the years ended December 31, 2020 and 2019, respectively (unaudited). However, the value of their donated time does not meet the criteria to record in the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

New Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*, to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements. ASU 2016-02 retains a distinction between operating leases and financing leases, and the classification criteria are substantially similar to previous lease guidance. The main change in the new guidance is the requirement for all leases to be recognized on the statement of financial position at the present value of lease payments. In June 2020, the FASB issued ASU 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842) - Effective Dates for Certain Entities*, that delayed the effective date of ASU 2016-02, such that the amendments are now required to be adopted for the Organization's December 31, 2022 financial statements. Early adoption is permitted. The Organization is currently evaluating the expected impact on the financial statements.

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958) - Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which will change the presentation and disclosure for contributions other than financial assets. The Organization will adopt ASU 2020-07 in the reporting period beginning January 1, 2022, and it is not expected to have a significant impact on the financial statements.

NOTE 3 - FUNDS HELD AT COMMUNITY FOUNDATIONS

The Organization holds funds at the Truman Heartland Community Foundation (THCF) and Eastland Community Foundation (ECF). Disbursements to the Organization can be made upon request and with proper approval. The investments are held in a money market pool, a fixed income pool, and a domestic equity pool.

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Organization classifies its investments into Level 1 (securities valued using quoted market prices from active markets for identical assets), Level 2 (securities not traded on an active market for which observable inputs are readily available), and Level 3 (securities valued based on significant unobservable inputs). Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following are descriptions of the valuation methodologies and inputs for investments measured at fair value, as well as the general classification pursuant to the valuation hierarchy.

- Funds Held at THCF and ECF - Funds held at THCF and ECF consist of investments in various investment pools. The fair value of such investments is determined using the net asset value (NAV) per share as a practical expedient. The investments are classified within Level 2 of the fair value hierarchy.

The following tables summarize the valuation of investments measured at fair value on a recurring basis in the accompanying statements of financial position at December 31, 2020 and 2019, including the additional requirement to classify securities by major category, which is defined as the major security type classifications within ASC 820.

NOTE 9 - REVENUE RECOGNITION - Continued

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable grant advance in the accompanying statements of financial position and were \$576,288 at December 31, 2020. One of these grants requires certain amounts to be kept in a separate bank account and is included in restricted cash – federal awards in the accompanying statements of financial position at December 31, 2020. There were no refundable grant advances or restricted cash at December 31, 2019. The Organization received cost-reimbursable grants of \$227,237 and \$74,892 that have not been recognized at December 31, 2020 and 2019, respectively, because qualifying expenditures have not yet been incurred.

NOTE 11 - FEDERAL AWARDS

The Organization has received financial assistance from certain federal agencies, either directly or through various pass-through grantors, in the form of contracts, grants, and awards to fund its activities. These activities are subject to audit by agents of the granting authority. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 12 - MATCHING FUNDS

In order to receive reimbursements from certain programs, the Organization is required to provide a certain percentage of local matching funds. This funding requirement is met through contributions from public and private sources.

NOTE 13 - FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Salary and benefit related expenses are allocated on the basis of estimates of time and effort, while depreciation and other occupancy related expenses are allocated on a square footage basis.

NOTE 14 - RETIREMENT PLAN

The Organization sponsors a Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) with limited eligibility. Employees who are reasonably expected to receive at least \$500 in compensation for the calendar year and employees who have received at least \$500 in compensation during any one year are eligible. The amount by which the employee agrees to reduce his or her compensation will be contributed by the employer to the employee's SIMPLE Individual Retirement Account. The Organization will match the employee's contribution in an amount equal to 3% of the employee's salary reduction contribution. For the years ended December 31, 2020 and 2019, employer contribution expense was \$43,140 and \$32,704, respectively, and is included in employee benefits on the accompanying statements of functional expenses.

NOTE 15 - CONCENTRATIONS

The Organization maintains accounts in banks in the greater Kansas City, Missouri area. These balances were insured by the Federal Deposit Insurance Corporation (FDIC) at each institution up to \$250,000. As of December 31, 2020 and 2019, the Organization had \$2,713,907 and \$739,244, respectively, in excess of FDIC coverage.

A significant donor is defined as a donor who contributed 10% or more of total revenue and support during the period. During the year ended December 31, 2020, the Organization received funding from the U.S. Department of Treasury and commodities from the U.S. Department of Agriculture for use in its programs. Revenue from these donors represented approximately 37% of the Organization's total support and revenue for the year ended December 31, 2020. During the year ended December 31, 2019, the Organization received commodities from the U.S. Department of Agriculture for use in its programs. NOTE 16 - RISKS AND UNCERTAINTIES

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of financial position.

In early 2020, the COVID-19 outbreak in the United States began disrupting operations and affecting a wide range of industries and their employees. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and the related impact on its programs, donors, employees, and vendors, all of which are uncertain and cannot be predicted. The extent to which COVID-19 may impact the Organization's financial condition or results of operations is uncertain and cannot be reasonably estimated. No adjustments have been made to these financial statements as a result of this uncertainty.

NOTE 17 - PAYCHECK PROTECTION PROGRAM

In April 2020, the Organization applied for and received a loan of \$351,300 under the Paycheck Protection Program (PPP) created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan accrued interest at 1%, but payments were not required to begin for ten months after the end of an eight- or 24-week loan forgiveness covered period. The loan was uncollateralized and was fully guaranteed by the federal government. The Company applied for and received loan forgiveness in November 2020. Accordingly, upon being legally released from the loan obligation and related interest, the Company recorded loan forgiveness of principal and interest totaling \$353,476 in the accompanying statement of activities. No payments were made on this loan.

NOTE 18 - SUBSEQUENT EVENT

In July 2021, the Organization renewed the line of credit through July 2022.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Community Services League of Jackson County
Independence, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Services League of Jackson County (a not-for-profit organization), which comprise the statement of financial position as of December 31, 2020, the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 31, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Services League of Jackson County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Services League of Jackson County's internal control. Accordingly, we do not express an opinion on the effectiveness of Community Services League of Jackson County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Services League of Jackson County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Community Services League of Jackson County
Independence, Missouri

Report on Compliance for Each Major Federal Program

We have audited Community Services League of Jackson County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Services League of Jackson County's major federal programs for the year ended December 31, 2020. Community Services League of Jackson County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Community Services League of Jackson County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Services League of Jackson County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Services League of Jackson County's compliance.

Opinion on Each Major Federal Program

In our opinion, Community Services League of Jackson County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

Report on Internal Control Over Compliance

Management of Community Services League of Jackson County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Services League of Jackson County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Services League of Jackson County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
